***Dearly beloved! I extend my love and greetings to each one of you!***

In today's world human tendency about forgiveness is completely changing and disappearing. There are a lot of changes in a human's temper while they forget forgiveness. Due to lack of forgiveness, there is no end to the divisions in family and breakdown in relationships. Also, on one side there are divorce and separation in relationships; and on the other side, as they are unable to forgive, there is no shortage of murders and violence. The current circumstances appear that man cannot forgive.

But it was Jesus who taught that forgiveness brings restoration, or an opportunity to repent. In front of the savage men who were stoning a woman to death, instead of punishing her. He forgave her and restored her life. The thought of forgiving others remembering that the blood of Jesus forgave our transgressions has diminished. As we hastily say the Lord's prayer, we do not comprehend the deep meaning of the key line about forgiveness.

We may have noticed the superiority of forgiveness in many places in the Scripture. But, failing to reflect

forgiveness in our lives is something very painful. In the Bible, Joseph forgave all the betrayal that his brothers had inflicted on him. Separated from his father by his own brothers, he was put into a pit,

sold as a slave, suffered, falsely accused, forgotten by his beneficiaries, spent 13 years of adolescence as a prisoner and was in humiliation and slavery. But when those who betrayed him knelt before him, while he had the governance to use his power and strength to torture each

one of them, Joseph forgave them which was God given grace to him. Let us try to forgive as well. Similarly, Gladys Staines forgave the people who killed her husband and her two sons.

Dear young readers, as you do not understand or realize the Lord's forgiveness, you are unable to forgive or forget the misdeed people had committed against you. Many have not heard of the loving forgiveness of the Calvary that you have encountered.

***What is your role in making those thousands and millions of people in realizing the love of the Calvary?***

In Christ's mission,

# BRIGHT LIFE...

Brother Akash, who was born in a family unaware of Jesus, lost his father at a very young age and was enslaved into sinful habits in his teens. Later he was saved from all his sinful bondage and is now being used by God as a full-time missionary. Come, let us ask him about some of the interesting incidents that happened in his life.

**JISHYA:** Hi! Akash. How are you? I am glad to see you.

**AKASH:** Hi Akka. I am good. How are you? Even I am glad to see you..

**JISHYA:** Ok, Akash, When we were talking you said you were involved in many sinful activities when you were young. Not only me but all the subscribers of Youth Life are eagerly waiting to know how you were relieved from those sinful activities. I hope you are eager to share about it to us.

**AKASH:** Yes Akka.. Even I am eager and prepared. You can ask me akka..

**JISHYA:** Fine Akash. First tell us about your family.

**AKASH:** My mother's name is Lakshmi Devi. I have two sisters and one brother. My elder sister, younger brother and younger sister are studying. My mother is working for meagre wages and takes care of our family. When I was doing my 6th grade, my dad fell ill and passed away. This is about my beautiful family.

**JISHYA:** Ok Akash. Can you tell us about your childhood days?

Bro. Akash with his family

**AKASH:** I was born into a non-Christian family in Jharkhand. I used to be pious from a very young age. During my birthdays, I used to go to the temple, break coconuts, apply vibhuti on my forehead and celebrate it devoutly. I used to bring and share prasatham with my friends and be glad in doing it. When I was young along with my friends, I used to steal money playfully. I used to be naughty and pious like this.

**JISHYA:** You said you were pious in your childhood days. Tell us about your school studies.

**Akash:** I had an aversion towards English subject. I used to stand out in every English class. I don't know how to read English. My father was an alcoholic. So, we never had any

peace in our family. My father used to beat me if I go out and play with my friends. So, I did not concentrate in my studies. I lost interest in studies and stopped going to school.

**JISHYA:** No peace in life when you were a kid. Also you couldn't concentrate in your studies. Tell us about an unforgettable incident that happened when you were young.

**AKASH:** In the year 2011, my dad and mom had a misunderstanding. My mom and us shifted to a place called Madhukam. Since then, my dad started to drink even more and started to suffer from severe stomach pain. On May 12, 2012 my father passed away in a hospital. The loss of my father shattered me a lot. Since my father died of drug addiction when I was

young, I decided not to indulge in such a habit in my life. I never had friends when I lived in Madhukam. My life was going smooth. I never had any bad habit. I was an obedient son to my mother in my family.

**JISHYA:** Super. That was a good decision. Were you able to stick on to that decision?

**AKASH:** Soon I started having more friends. I started playing video games. If my mother gives me money to buy things in the store, I will save the remaining money and spend it on playing video games. As I started to mingle with my friends, I was addicted to smoking and drugs. When I was with my friends, I started to speak foul words thinking that it will give immense joy. I failed to stick on to my childhood decision. Since I did not study and got addicted to bad habits, my mother insisted me to go to work. So, I joined a manufacturing company. I worked there only for few days. Then I worked in a medical shop, textiles and many more. I couldn't stand longer in any company. I was never regular to work. Even in work spot I got addicted to drugs along with my friends. If I don't have money to buy drugs, I would find alternatives that gives me pleasure. I would get ready as if I am going to work, join my drug addict friends, have drugs and be happy in an empty building nearby. My family was worried on seeing me in such a condition. One of my aunts who wanted me to be delivered from this sin started praying for me.

**JISHYA:** Your aunt started to pray. Was her prayer heard? How did you overcome this sin?

**AKASH:** In the year 2017 we accepted Jesus as our Saviour and till today He is helping us to live a testimonial life. Since I had bad company of friends in Madhukkam we changed our residence 4 times. During my childhood days, whenever I visited my grandmother's town, I used to go to a church there. So, whenever I don't feel good, I would go to church in my place. But there was no change in my bad habits. I joined a hotel for washing plates and tumblers. One day when I was in the hotel, I realised my sin and wished to come out of it. I started to pray to God saying, "I do not want this job and to give me another

er job. If I continue to work in this hotel, I am sure I will continue in this sinful life." I prayed earnestly. I prayed to God telling that I will do any work and if I continue in this current job, I will never be able to overcome my sins. God heard my prayers.

**JISHYA:** Super. God heard your prayers and saved your family.

Now what do you do?

**AKASH:** In the year 2018, when Jesus Redeems team visited Jharkhand, I told them that I will do any work given to me. Immediately one brother after checking Mohan Uncle, asked me to join in Jesus Redeems Ministries. Soon I travelled to Nalumavadi. I with didn't know the language here. I do not know anything about media. But God chose me, brought me to Tamil Nadu and is using me in media field. I am doing full time missionary works for the past 5 years.

**JISHYA:** Super. Glad to see that, though you do not know the language or anything about media, God is using you in the revival works for the past 5 years.

**AKASH:** Even I am glad. My wish is, I wanted to learn more in this missionary path and do more for my Saviour.

**JISHYA:** Fine. What would you like to tell the youth who are reading

this?

**AKASH:** Our God who makes way where there seems to be no way is with you. When I earnestly prayed to God to deliver me out from this sin, He heard my prayers and saved me. Even today, if you are trapped in any sin and if you wish to overcome it, God will help you. First you should make an attempt to come out of it. When you ask in faith, God will deliver you from your sin.

**DEAR YOUNSTERS, THE GOD WHO CHANGED THE LIFE OF AKASH WILL CHANGE YOUR LIFE AND DELIVER YOU FROM ANY KIND OF SIN AND GIVE YOU A BRIGHT LIFE. WHEN YOU ASK GOD, HE WILL HELP YOU LIVE A LIFE AS BRIGHT AS AKASH. ■**

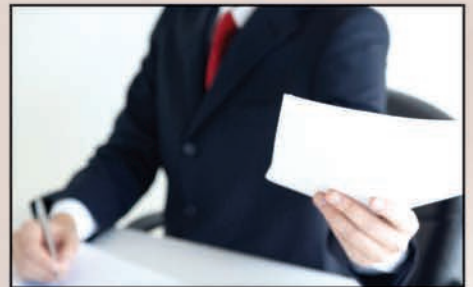

# ME MO

I work as an assistant in a government office. I'm so dedicated towards my work. I am faithful to my job. My higher officials have complimented me many times for my work. Once when my higher official struggled hard to finish an important project, I helped him day and night to finish it on time. Recently he believed some stranger's words and behaved very harsh with me, I was broken into pieces. Added to that I was given a memo stating that, I was not true to my work. I was clueless as he believed someone's words and threw me away. Few months later, when he came to know the truth, my higher official apologised to me. I couldn't forgive him. Because of him, I was insulted, there was delay in my promotion and many more loss and hurts. I was expected to be the next Manager, but this incident was a big shock to me. I couldn't forgive him, even after I did forgive, I couldn't forget it. Those words keep repeating in my ears. I'm clueless on what to do

– Rahul, Mumbai.

Dear brother Rahul,  
I can understand your inner feeling and hurt. On one side you were punished for no reason, and on the other hand, the most trusted Manager forgot all the help that you endured him, which hurts you a lot. So, you were insulted in your office. The memo created a black mark and spoilt your promotion. I can feel the hurt that the work has caused you.

Rahul! You have two options. First is to live in hurt without forgiving him, or you forgive him and try to live without any hurt. What are you going to choose from these two options?

## WHAT WOULD HAPPEN IF YOU DON'T FORGIVE HIM?

- ▶ The unforgiving nature in your heart may turn into enmity.
- ▶ Later enmity will continue to hostility.
- ▶ Soon you will start talking against him and do bad deeds against him.
- ▶ The problem may go to its peak and the office may de-promote or transfer you.
- ▶ This will add to more sorrowful and hatred situation.
- ▶ The good friendly relationship that you had with him, may turn into enmity.

## WHAT WOULD HAPPEN IF YOU FORGIVE HIM?

- ▶ You will have a good name and respect in your office.
- ▶ Moreover, the joy that forgiveness brings in you will be immense.
- ▶ The Manager who gave you a Memo for false acquisition, may soon send you a mail recommending for your promotion and appraisal.

When we think about your life, we could relate it with Daniel in the Bible. Daniel was faithful in his work, did a lot of work by himself. So, the king had a huge trust, love, and respect on Daniel. But the king believed a false acquisition and ordered to put Daniel in the lion's den. A lion's den is equal to a death penalty. But Daniel did not have a hard feeling or hurt on the King. Daniel knew that he did not do anything wrong.

He kept quiet and prayed in the lion's den. What happened at last? He was brought alive from the lion's den because of his faithfulness. God protected him; later the King promoted him to a higher position.

There is a saying which says that, we become human when we forgive and become superior when we forget. But we cannot easily forgive the one who hurt us. Rahul! Give it a try, the God who helped Daniel to forgive the king, will also help you to forgive your manager.

Moreover, when you pray for their blessing, your heart becomes light. So, Rahul are you going to forgive and live free with peace or carry the enmity and hostility within you? Think and act wise! ■

# Forgiveness

Everyone has forgotten the word forgiveness in today's modern world. Fights, especially among Christians and arguments in the families have increased. No one is ready to forgive others. The thinking of **"Let him forgive me first and then I can forgive him"** and being adamant and egoistic, **"I will not forgive him"** is seen in many Christian families. But what the Bible says is, **"Therefore if thou bring thy gift to the altar, and there remembers that thy brother hath ought against thee; leave there thy gift before the altar and go thy way; first. Be reconciled to thy brother, and then come and offer thy gift"** (Mathew 5:23-24). It is painful that many of us have forgotten these verses.

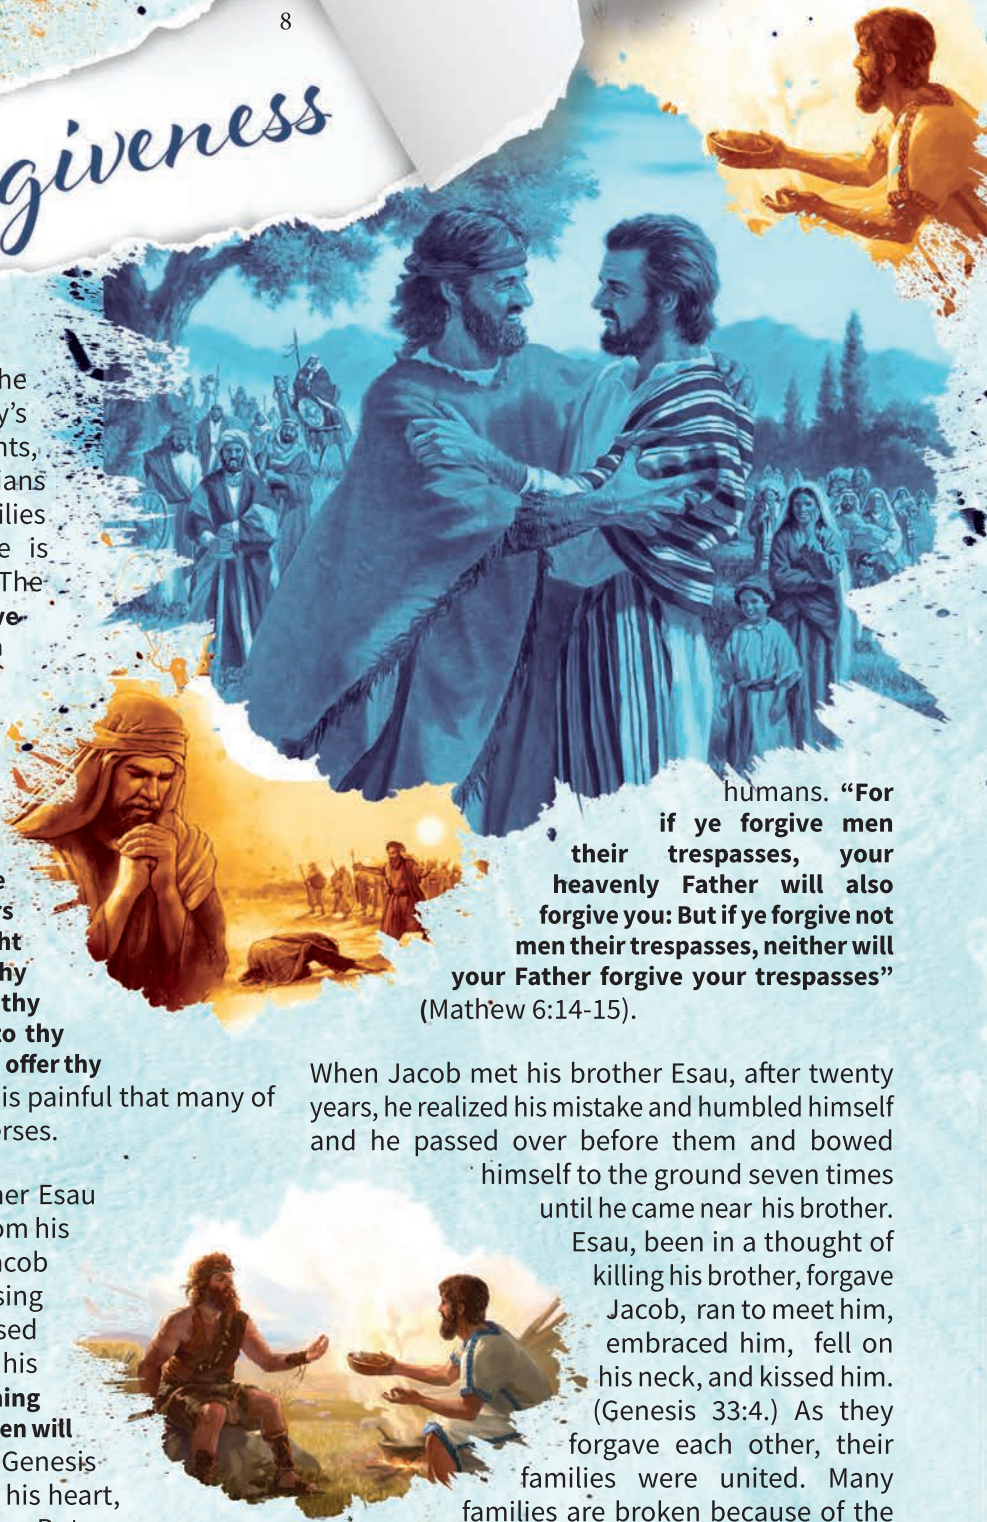

Jacob deceived his brother Esau and received blessings from his father. Esau hated Jacob because of the blessing wherewith his father blessed him: and Esau said in his heart. **"The days of mourning for my father are at hand; then will I slay my brother Jacob."** (Genesis 27:41). Though he said in his heart, he didn't kill his brother. But many youngsters are going to the extent of murdering if they don't get what they want. We can say, because of this, acid attacks, honor killings, hatred and hostility has been increased. The root cause for all these is unforgiveness. Therefore, the Lord says that forgiving temperament is necessary for

humans. **"For if ye forgive men their trespasses, your heavenly Father will also forgive you: But if ye forgive not men their trespasses, neither will your Father forgive your trespasses"** (Mathew 6:14-15).

When Jacob met his brother Esau, after twenty years, he realized his mistake and humbled himself and he passed over before them and bowed himself to the ground seven times

until he came near his brother. Esau, been in a thought of killing his brother, forgave Jacob, ran to meet him, embraced him, fell on his neck, and kissed him.

(Genesis 33:4.) As they forgave each other, their families were united. Many families are broken because of the unforgiveness with one another. If you are not forgiving anybody in your family and any of your family members are not forgiving any other, ask them to forgive and build a good relationship. It is very painful to see misunderstandings and fights among

parents that causes hatred among the youngsters towards their parents. As they do not forgive, they do not talk with each other though they live in the same house.

Graham Staines along with his two sons was burnt to death in his van in

- 1999. The press reporters were amazed when Gladys Staines said that she forgave the people who are responsible for the death of her husband and children. She glorified the Lord and said, **"Whosoever sins ye remit, they are remitted unto them; and whose soever sins ye retain, they are retained"** (John 20:23.) If you have not yet forgiven somebody, take a decision to forgive them today.

Many youngsters ponder over this question, "Will Jesus forgive my sins or not?". To save people from their sins and curse, Jesus came into this world as a son of man and bore the cross and shed His blood for us. Satan listed the sins of Martin Luther and showed him when he was sitting alone in his home.

He wrote all those sins in a white paper and poured red ink on it.

Now there were no sins in that paper what Satan had listed. Martin Luther told Satan that the blood of Jesus has forgiven all his sins. Satan disappeared immediately. Jesus is ready to forgive all your sins even when you say, "I am a sinner; Jesus will not forgive me" and go far away from Him. When you read 1 John 1:7 it says, **"The blood of Jesus Christ his son cleanseth us from all sin"**. Are you are ready to call upon Him? Call Him and your sins will be forgiven.

***My dear young sisters and brothers! If you ever come across the question "Are your sins***

***forgiven?" Say I believe, that the blood of Jesus Christ has cleansed all my sins. "If we confess our sins, he is faithful and just to forgive our sins, and to cleanse us from all unrighteousness" (1 John 1:9). ■***

# The Blessings of Jacob

**“So, Jacob was left alone, and a man wrestled with him till daybreak. When the man saw that he could not overpower him, he touched the socket of Jacob’s hip so that his hip was wrenched as he wrestled with the man. Then the man said, “Let me go, for it is daybreak.” But Jacob replied, “I will not let you go unless you bless me.” The man asked him, “What is your name?” “Jacob,” he answered. Then the man said, “Your name will no longer be Jacob, but Israel, because you have struggled with God and with humans and have overcome.” (Genesis 32:24-28) - We read about Jacob who was the first person to wrestle in prayer all throughout the night in this chapter.**

Why did he pray all through the night? He was filled with deceit since he deceived his brother Esau before 20 years. So, Esau was very vehement on killing Jacob and was waiting for a suitable opportunity.

In this chapter, we read of how Jacob is returning back with his wealth, cattle, donkeys, sheep, male and female servant to his hometown after a long period of 20 years after serving his uncle Laban. When Esau heard this, he comes to meet him with 400 men. Jacob on hearing this news through the messengers, was filled with great fear and distress. At that juncture, Jacob

understood that the only solution would be to spend the night with God in prayer. That night, Jacob got up and took his two wives, his two female servants and his eleven sons and crossed the ford of the Jabbok. After he had sent them across the stream, he sent over all his possessions and stayed back in solitude in the presence of God.

God met Jacob amidst his anxious situation when he was afraid of his brother Esau that he would attack him, and do harm to his wives and children. It was then that he wrestled alone with a man, that night. He wrestled on a desperate

situation of wanting to win over his brother and protect his family from him. Jacob's prayer was on a key theme - **"I will not let you go unless you bless me"**.

What blessings did Jacob need from God? He had already four wives, 11 sons, one daughter and many servants! The cattle and herd he had inherited would have valued to more than million crores. He himself declared to God that he had only a single staff when he crossed the river Jordan but he has returned now with two camps of assets and wealth. If so, what blessing did Jacob need? For which blessing did he struggle? God, indeed blessed him with a new name! The meaning of Jacob was 'deceiver' but God said, 'Your name will no longer be Jacob, but Israel'. Even during his birth, he was the one who grasped his brother's heel and tried to come out first so that he can inherit the birth right. He was only able to hold on to his brother's heel but could not succeed to be born as the eldest.

It was the norm in Israel to give two portions of the asset and the birth right to the first born. So, Jacob craved for that blessing. Instead, Esau who was the firstborn was very negligent about the firstborn blessings and sold it for the sake of a red stew which was needed for his instant gratification due to hunger. It is mentioned of him that 'Esau was godless who for a single meal sold his inheritance rights as the oldest son.' But Jacob was mindful of blessings. Even though he had deceived in many instances, he was very concerned, mindful and yearning for God's blessings.

Rebekah, his mother who wanted him to inherit the fathers' blessings, devised a cunning plan to

cover Jacob's hands and neck with the goatskins in order to act like Esau before Isaac. Jacob deceitfully took all the blessings from his father without any single reserve for Esau. When Esau heard his father's words, he burst out with a loud and bitter cry and said to his father, **"Bless me—me too, my father!"** But he said, **"Your brother came deceitfully and took your blessing."** Esau had previously ignored the importance of his birth right blessings and sold it off very casually to his brother. But Jacob had a deep desire to receive his father's blessings.

That's why when he wrestled that night with God to bless Him, God changed his name and pronounced blessings on him. Even the nation of Israel stands as a living witness to his name till date. The country of Israel is the best nation in the whole world, unrivalled and unmatched with its exquisite richness and fame in all aspects. Most of the scientists who have been noteworthy inventors hail from Israel. Jacob means 'deceiver' whereas Israel means 'God's prince'. We understand that God transformed the deceiver Jacob to God's prince.

*My beloved youth, you should also strive and desire God's blessings in your life. You should be keen to receive His blessings. If you cling on to God and zealously say that you will not allow Him to go until he blesses you, he will surely bestow his choicest blessings on you. God will intervene and communicate with you just as he did to Jacob. He will answer your prayers! Stay Blessed! ■*

# A LIFE OF LIGHT!

Achievement: Suma

My warm greetings to every youngster out there waiting to relish the fruits of success. Every human in this world have talent, wisdom, self confidence and a never giveup attitude. But are we using all of them in the right way and at the right moment? This is the important question that we have to ask ourselves. The ones who used them right have become achievers. If you haven't used your presence of mind, talent and wisdom in the right way, stop worrying about it. You can reach the fruits of success by utilising every single day henceforth in the best possible way. Here's a testimony of an achiever to encourage you!

Qimat Rai Gupta was born in 1937 in Punjab, in a family with a very humble background. His father was doing a small business then. His aim was to make his son study well so that he can get a government job that will pay him on day one of every month. But Qimat had other ideas; he wanted to become a big businessman. Even though he had a great ambition, he studied well and became a teacher just as his father wished. Qimat's desire to become a businessman kept him restless. As he was teaching, he started his research on the demand for products in the market everyday.

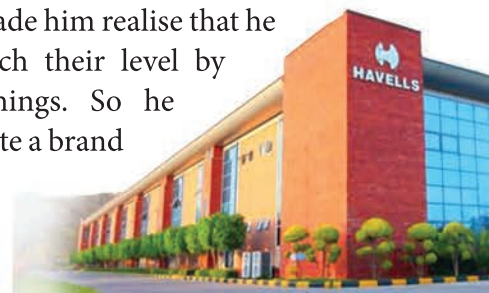

His long search ended one fine day. He found that electronic goods are selling a lot in the market and decided to sell it on his own. As days rolled by his job as a teacher did not satisfy him. So, he quit it immediately and at the age of 21, he collected 10,000 Rupees from all his close friends and went to Delhi to start "**Electra Stores**".

As Gupta expected his business was profitable. But no matter how much the sales increased, he wasn't able to excel and move on to the next stage. So he started two new stores in the main areas of Delhi, which gave him great returns. He wasn't satisfied yet. He decided to distribute electronics across the state and started manufacturing it. He himself

visited many major companies to get their orders. But the manufacturers gained the profit because of his hard work. When asked for his share, the company owners said that the sales are high because of their brand and not his skills.

Their words made him realise that he will never reach their level by distributing things. So he decided to create a brand for himself.

“There are many brands in the market, so if you start one you can't sustain.” These

words are repeatedly told by Gupta's friends. But he was unhindered by these words, his only thought was to find out what to do next. It was during this time, he found a brand named Havells which was facing continuous losses and offered to buy it. First, he decided to increase the quality of the brand and for that he recruited experts from other companies. Then, he started manufacturing. Because of his clear decision, within two years, Havells started to become successful.

Everything was going on smoothly, till one major roadblock hit his company. All his competitors conspired against his company and began to spread rumour that his products are sub standard. Because of this many vendors hesitated to buy from Havells and this led to a great loss.

But Gupta wasn't affected by it, he began thinking about his next move. He decided to manufacture new electronic products that wasn't available in the market and came up with a “**Research and Development Team**”. Then he found out the most easily damaged electronic product in a factory, which was the switch. To tackle this, he came up with a switch that wasn't damaged easily.

This switch received a great reception in the market. The companies which hesitated to buy Havells'

**But he was unhindered by these words, his only thought was finding what to do next?**

products citing quality reasons, were eager to buy it. Likewise, Gupta manufactured many new products and launched them in the market. Out of this, **Havells' Fuse** was one of the most important products. He monitored the needs of the major companies and started catering to them. Havells grew because of his decisions.

He did not stop there, he went on buying many small companies.

Slowly, Havells stepped into manufacturing household appliances. The company which was started with just 10,000 rupees, has a net worth of 9500 crores now and is the top brand in our country. Even in your house, most of the products would have been made by Havells.

**DEAR YOUTH, PEOPLE WHO HAVE SELF CONFIDENCE AND A NEVER GIVE UP ATTITUDE, WILL TASTE VICTORY EVERYDAY. IF WE ARE UNFLINCHED BY FAILURES AND ARE WILLING TO RISE ABOVE IT, SUCCESS IS VERY NEAR. ARE YOU GOING TO LOOK AT YOUR PAST FAILURES AND RUN AWAY? OR ARE YOU GOING TO MAKE FAILURES KNEEL BEFORE YOU? THE ANSWER IS IN YOUR HANDS! ■**

### JOSEPH - HIS BROTHERS...

Joseph was the 11th son for Jacob who had 12 sons. Jacob loved Joseph more than any of his other sons. He gave Joseph a multicoloured robe. Because of this, Joseph's brothers were irritated with him. They hated him even more when Joseph told them about what he had seen in many of his dreams. They planned to kill him and they threw him into a pit. They sold him for 20 silver coins to the Israelites who passed by that way. Joseph suffered various hardships even after they took him to

Egypt. Pharaoh made Joseph the ruler over the land of Egypt, because the Lord was with him. Since, many nations were affected with famine; people from different places came to Joseph to get cereals. Joseph's brothers also came to him to get grains. They couldn't recognize Joseph but he recognized them. He forgave them no matter how they harmed him. He treated them well and introduced himself to his brothers. He hugged and kissed them. Joseph didn't harm his brothers whereas he forgave them and did good to them. (Genesis chapters 37-45).

**Dear youngsters! If you forgive your relatives or your own siblings like Joseph even though they have harmed you, God will do great things through you.**

### THE FATHER – HIS SON...

A man had two sons. The younger said to his father, 'Divide my share of the property.' So the father divided his property between them. A few days later, the youngest son gathered everything together and left to a distant land, where he lived a wicked life and destroyed everything he owned. After he had spent everything, he went and joined one of the inhabitants of that country, when the deadly plague struck. The tenant sent him to herd the pigs in his field and he would gladly have filled his stomach with the pods that the swine ate. But no one gave him anything. The young man came back to his father with the understanding that 'there was enough food for so many of his father's servants, while he was dying of starvation.' As the youngest son was coming from a distance, his father saw him, grieved in heart, ran to him, hugged him and kissed him. And he asked his servant to bring him a royal dress and clothed him, put a ring on his finger, shoes for his feet, forgave him his trespasses and accepted him. (Luke 15:11-22)

**Dear teenagers! If you have not forgiven your friends who have done something wrong, forgive them today. Are you ready to forgive and accept them as the Father forgave his son when he lost everything?**

## STEPHEN - THE ONES WHO STONED HIM ...

Stephen was one of those who were appointed as deacons by the Lord. Some were greatly annoyed about Stephen since he carried out many miracles and signs among the people with great faith and power. Some of them got up and started arguing with Stephen. But they were unable to talk back when Stephen was filled with wisdom and the anointing of the Holy Spirit while he spoke to them. With an intention to find fault on Stephen and to blame him, they urged the elderly people of the Jewish religion and other Vedic experts to say, "We have heard him speaking blasphemous words against Moses and God." And they went to him, got hold of him, caught him and dragged him before the council, and falsely accused him saying, 'This man had talked blasphemous words against this council and the Scripture'.

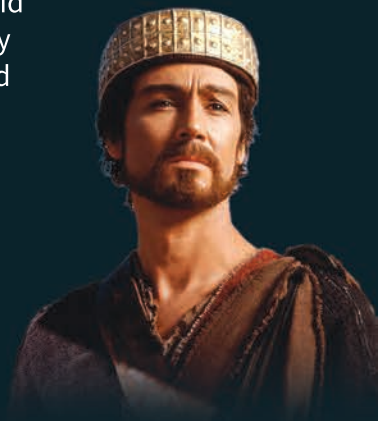

Stephen preached good things to those people, but they were eager in harming him. When they saw that Stephen's face shone like an angel, they became furious, threw him out of the city and stoned him. Even in that situation we could see Stephen praying to God not to charge those people who have sinned and pleaded for their forgiveness. (Acts 7).

**Dear youngsters! Stephen prayed seeking forgiveness of those people who stoned him to death as a martyr. How about you?**

## DAVID - SAUL WHO WANTED TO KILL HIM ...

After David killed Goliath, King Saul made David 'Commander-in-Chief' and asked him to lead his army. David won many battles and because of that everyone started to love him. Whenever he returned after winning the battle, the women danced and sang out **"Saul has slain his thousands and David his tens of thousands"**. This made Saul jealous of David. He planned to kill David and he chased David without ceasing. David ran to different places and also changed his locations several times with the fear of death. There were times when he had to disguise himself as a lunatic and escaped. Even though David suffered so much because of Saul, he didn't kill Saul when he got hold of him nor did he touch him. Since, he didn't want to kill the man who was anointed by God, he just cut off the skirt of Saul's robe that was caught in his hand and forgave him. (1 Samuel 24: 1-22)

**Dear youngsters! Like David, develop a forgiving nature. That character will help you to remain healthy. Will you change yourself into a person who forgives wholeheartedly without thinking of taking revenge?**

If the Nation of India has to be at peace, and free from famine, poverty, prostitution, drunkenness and intoxication, revival fire should be poured in the department of Politics. When the children who are pleasing God reign the nation, there is no doubts that the whole nation will become a blessed nation. When revival occurs in the department of politics, the lust for power, selfishness, rivalry, jealousy and bribery shall be completely eradicated and our nation will be blessed. As Jehoshaphat did what was right in the sight of God, God has strengthened the kingdom in his hand. His heart took delight in God's ways. As a result do you know what hap-

pened? He sent priests and levities to all the cities of Judah for preaching. Priests, having kept the word of God, went about all the cities of Judah and taught the people. Because of this, the nation was sanctified, Lord reigned the whole Judah, people started leading a peaceful and joyful life. Nation was quiet. When you start praying for the revival fire upon the department of politics, God will raise up a leader like Jehoshaphat and sanctify the nation.

# Revival

## in the department of Politics

Abraham Lincoln was born into a poor family in America. He was a beloved son of God from his childhood and a young man who loved the scriptures. In the year 1834, at the age of 25, he contested for the legislative assembly and won for the first time thinking to eradicate slavery in the nation by being involved in politics. As he gave the good democracy the people wanted, unexpectedly, he was selected as the 16th President of America

in the year 1860. In the year 1862, he proclaimed, no one should be as slave. It made a huge impact in the American politics. Many slaves were released. Good governance was established in the whole nation.

**Dear youngster, we must pray for the kings and all who are in authority that we may lead a quiet and peaceful life in all godliness and reverence. As you pray everyday, the Lord will bring about changes in politics. If changes occur in politics, there will definitely be a change in the society and the slavery of the nation will be changed ■**

# RED Alert

*Hophni and Phinehas*

Every month through this Red Alert series, we see the mistakes and carelessness of God's chosen people and the curse and loss they have brought to their generation.

God speaks to us through this Red Alert series and corrects us in our spiritual life. In this Red Alert series, we are going to talk about Hophni and Phineas who were chosen to do the priesthood.

We have read earlier, if you are not called like Aaron then you cannot get into the ministry by yourself. Priesthood is a very special ministry in God's eye. God himself chooses the priests for this ministry. Hophni and Phineas were chosen to do such a honored ministry, they were called to do it with holiness and love, but they polluted God's church for the lust of their body. As a result, they brought curse not just for themselves but for their whole generation.

## WHAT ARE THE REASONS FOR THEIR FALL?

### 1. ELI'S SONS DID NOT KNOW GOD!

1 Samuel 2:12 says, they did not know God. Doing God's ministry without knowing Him is very dangerous. But here Hophni and Phineas did the ministry according to their own desire without knowing how big, holy and mighty, our God is.

They committed sins boldly in church which was displeasing and hated by God. There will be presumptuous sins where there is no knowledge about God. Even we can do ministry without the knowledge of God. But the result will be dangerous. Selfish ministry will bring us harm. Apostle Paul took the gospel to many countries in the world. The secret of his ministry is Philipians 3:8 'I also count all things loss for the excellence of the knowledge of Christ Jesus my Lord'.

### 2. THEY DISOBEYED THE LORD'S COMMANDS!

Eli's sons disobeyed God's commands due to the lack of knowledge and fear in God. God allotted a share for the priests in the sacrifice brought by the people.

The sacrifice shall be taken only after removing the fat from it, but Eli's sons took it even before removing it (1 Samuel 2:15). So, their sin were great in the eyes of God (1 Samuel 2:17). Let us ask ourselves, as God's chosen people in ministry "Do we obey His commands?"

### 3. NEGLIGENCE OF THE CAUTION!

Eli cautioned his sons on knowing their sins, but they hardened their hearts turning deaf ears to Eli's words. So, God decided to destroy them. They continued committing sin,

disobeyed God's words and neglected the caution (1 Samuel 4:11) Eli's sons were killed in the war. They brought curse to their entire generation.

*My dear youths, you may think you do not commit sin as great as Hophni and Phineas. You may justify by comparing your sins with theirs. But the small mistakes we make, and our negligence will take us to the edge of failure. At that time, we will never get a chance to repent. Let us confess our sins our weaknessess and humble ourselves in the feet of God. He will make our paths straight, steadfast, holy and use us mightily in revival.*

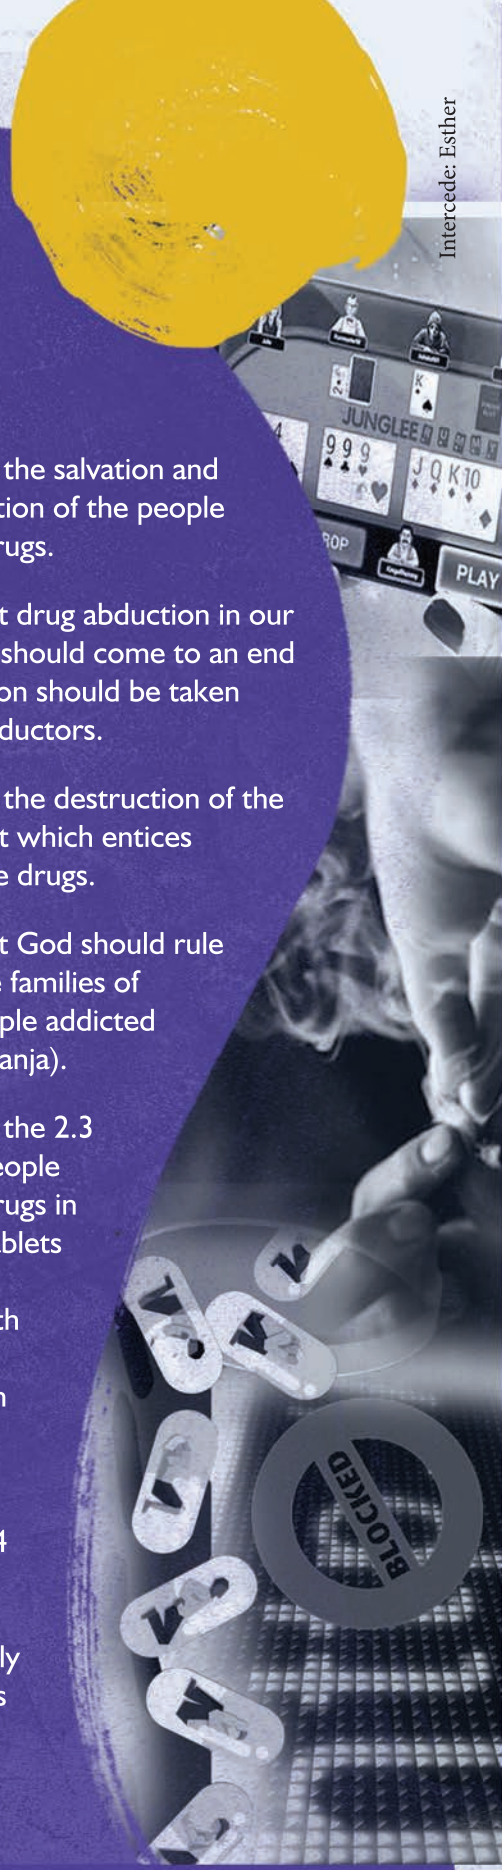

"If you keep yourself pure, you will be a special utensil of honourable use. Your life will be clean, and you will be ready for the Master to use you for every good work" (2 Timothy 2:21) ■

# Peter in an Empty Tomb

On the morning of the first day of the week, Mary Magdalene came in the dark and found that the stone had been sealed up in the tomb. And immediately she runs, and informs first to Peter and John, and not to any other disciples. Even the angel, after declaring that 'Jesus has risen again,' informs the women who have come to perfume Jesus' tomb, to go and inform his disciples and Peter (Mark 16:7). From this, we can see that the people of that time and the angels knew that Peter was the most special and foremost of the disciples. Although Peter and John ran to the tomb together, John ran faster than Peter and looked down into the sepulchre. But he did not enter. Peter walked slowly into the tomb and watched sharply, even though he was running late. In that empty tomb, Peter's mind slowly researches. If someone had carried the body, they would not have taken off the tapestry and kept it in the grave. The tapestry wrapped around the head is neatly wrapped and neatly placed instead of being placed with the other tapestries. So he would have realised that the incident should have taken place quietly and not in haste. Yet the disciples did not know the Scripture that He must rise from the dead (John 20:9). The chief priests and pharisees remembered Jesus telling them that he would rise up after three days.

So they preserved the tomb as much as they could. But it is surprising that the disciples have forgotten it. However, it is worth noting that Jesus first appeared to Peter among His disciples (Luke 24:34; 1 Corinthians 15:5).

## RETROGRESSION AND CONVERSION

Despite living with Jesus for a few years, having witnessed many of the miracles he had performed, and had been called upon by Jesus for the noble occupation of capturing men from the fishing industry, the torment and crucifixions inflicted on Jesus had left Peter a little disturbed and confused. He thought he could go back to the old fishing industry. He takes some of the disciples and Nathan and goes to the sea of Tiberias and throws the net but there was no point in working all the night. At dawn, when they cast a net on the right according to the command of the Resurrected Jesus Christ who was at the shore, there were lots of fish in the net. It was only when they saw the miracle that the disciples realized that He was the Lord.

“Children, do you have anything to eat?” was the question that was raised to them and those who answered no were moved when they came to the shore and saw it. Yes, fish in the charcoal fire, loaves on the side and a love command to bring some of the fishes they caught then. The love of Christ, who gave bread and fish to those who were tired and hungry, was astonishing. It was only after Jesus’ arrival that the answer to the failure and hard work that had been witnessed throughout the night was found.

Great success in the form of 153 great fishes. In spite of so many fish, the net was not torn, and it was the love, miracle, and comfort of Jesus that came in search of Peter, who had gone in search of the life he had lived before Jesus came.

Realizing this, Peter wrote in his epistle a few years later that Jesus wanted Peter to love him more than the other disciples that “love will cover up many sins.” That is why he mentions the father’s name three times, and asks, “Simon, son of Jonah, Do you love me more than these?” “Yes, Lord you know that I love you” answers Peter, and Jesus reaffirms Peter’s ministerial call to shepherd His sheep. Peter, who denied the Lord three times, was made to say, ‘I love you’ thrice, based on the verse that death and life will be in the power of the tongue. In Greek, there

are two words for the word ‘Love’. 1. Agape - True deep love. 2. Phileo - Love that is considered to be a liking as a friend. The Bible explains that the Lord once used the Greek word Phileo and the word agape twice, but Peter used the word ‘Phileo’ three times, thinking that he was not fit to use the word Agape.

## PETER’S FRIEND AND THE DISCIPLES

Of the twelve disciples, John was the closest to Peter. As soon as the Lord explains to Peter what would happen in his old age, Peter wants to know John’s future as well, but the Lord has clearly told him that he should follow Him without looking at others.

Peter and John are both fishermen and have a close understanding of speaking in sign language even when Peter was leaning on Jesus’ shoulders during the supper (John 13:24). They go to church together at the time of prayer (Acts 3:1). Peter realizes that the Lord has different plans for each one of them, even if they are close friends.

**JOURNEY WITH PETER  
WILL CONTINUE WITH  
MANY OTHER  
IMPORTANT EVENTS. ■**

# Birds in the Bible

## Crane - Stork

Birds like Crane, Stork and Heron live in the rural areas of Tamil Nadu. These birds are seen going behind the cows when ploughing the field. As soon as the cow takes its leg, worms emerge from the area, and the birds catch them and eat them. The speciality of these birds is that, if one from the pair dies the other bird will also die by screaming all day. Let us see some good qualities of these bird in this passage.

### WAIT:

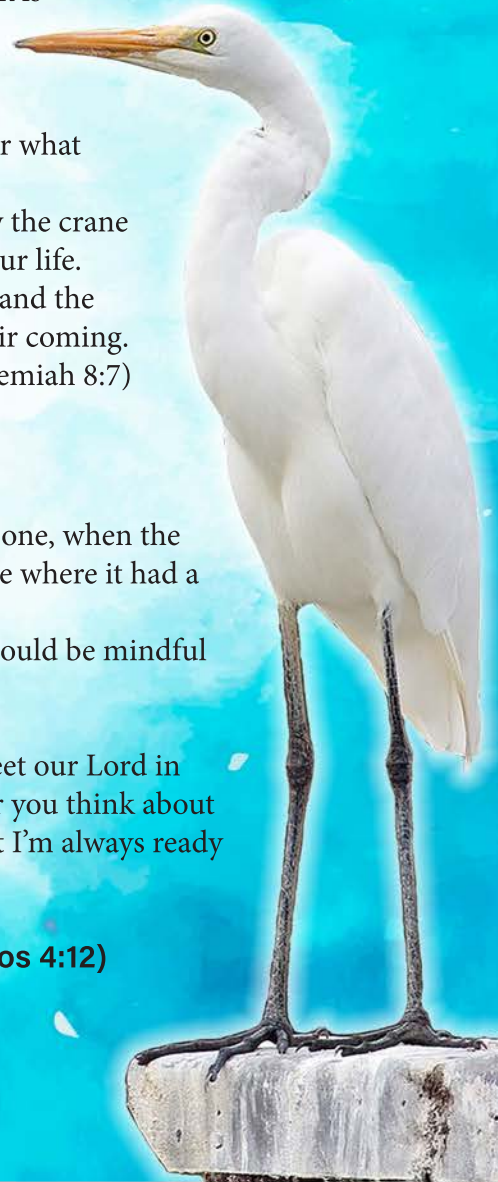

- ▶ The way that the crane waits for the fish in the water bank is really amazing. The crane waits patiently for the fish in the water, motionless with one leg folded. When a big, fat fish comes near its leg, it will pick it up.
- ▶ But as humans we get tired when we don't get answers for what we have prayed for.
- ▶ If we wait patiently for God's time in everything like how the crane waits for its food, then we will get the best of everything in our life. "Even the stork in the heaven knows her appointed seasons, and the turtledove, the swift and the swallow observe the time of their coming. But My people do not know the judgement of the Lord". (Jeremiah 8:7)

### READY:

- ▶ Birds like crane know their migration time very well.
- ▶ As it knows that this migration place is not a permanent one, when the time comes it flies back to its native place by leaving the place where it had a happy life.
- ▶ Even For us this world is not a permanent one, and we should be mindful that our place is in heaven.

My dear youths! What are your preparations to meet our Lord in heaven? Are you anxious in your heart whenever you think about going to heaven? Or are you in a mindset that I'm always ready to go to heaven? Think about it!

**"...prepare to meet your God" (Amos 4:12)**

# PRAY AND BE A VICTOR

Last month, we discussed the preparations and ways to pray for an hour. In continuation, this month, let us discuss in depth how and what to pray for an hour.

First 15 minutes: **PRAISE AND WORSHIP!**

Next 15 minutes: **MEDITATE ON THE SCRIPTURE!**

Last 30 minutes: **PRAY!**

## HOW TO PRAISE AND WORSHIP GOD?

**PRAISE:** Glorify God for His might and sublimity

**Examples:** Almighty God, I praise you! Jesus, my Saviour, I praise you! Holy Spirit, I praise you!

**WORSHIP:** Thanking the Lord for the good

He has done for us.

**Examples:** Thank you for the salvation you have given me!

Thank you for the good physical health you have given me!

Thank you for all the good gifts you have

given me!

## HOW TO MEDITATE ON GOD'S WORDS?

► You can meditate by reading your regular Bible portions prudently.

► You can start from Genesis for meditation

► You can choose any book from the Bible to start meditating.

You can choose any method you want. What should be given importance is the meditation of the Scripture. Choose your convenient method and follow it

properly.

## HOW TO PRAY?

After praising the Lord and meditating on the scriptures, dedicatedly, enter into prayer time.

► First, pray for others.

► Next, pray for those who are in power in our country.

► Pray for God's missionaries.

► Finally, pray for yourself.

*No matter how many classes you listen to about swimming, you cannot learn to swim unless you enter the water. Similarly, my dear youth, you cannot become a prayer warrior who prays for an hour by reading everything. You can have a steady prayer life only when you ask the Lord for mercy and grace; decide to pray, and practice daily.*

**Make prayer a practice, your life will become a victory! ■**

As Jesus promised to use the youth in this revival, we were able to conduct “Igniters Meeting” for the youth who were invited from Tamil Nadu, East Indian States and NorthEast States, Andhra and Kerala. On June 15,16,17, nearly 430 youth were invited from Telangana and Andhra to Nalumavadi and were taught the importance of prayer for Revival and the importance of spreading the gospel by Bro.Mohan C. Lazarus and Bro.Vincent Selvakumar. The spiritual eyes of many youths were opened when they were taught and guided in prayer. Many people praised and glorified God through their visions and testimonies. When the youngsters left the place, they were determined that they will spread the word of God. Bro.Anand and Bro.Thirithuvam helped us in translating God's message in Telugu. Bro.Jawahar conducted the Praise and Worship session. Also Bro.Paneer Selvam and Bro.Manova sang songs and praised God.

### **WHAT'S THIS ! LIC'S MARKET VALUE FALLS BELOW RS 5 LAKHS CRORE. INVESTORS IN SHOCK .. !!**

**New Delhi:** Investors were shocked as the market value of LIC fell below Rs 5 lakh crore. LIC has recently stepped into the Indian stock market. With high expectations LIC shares were listed last May 17th on stock exchanges.

Various economists have strongly opposed this. LIC lovers have been urging the United government not to get involved in this operation. But a situation arose where LIC has the largest amount of shares so far which could be subscribed.

Many investors competed to register LIC's IPO and buy shares. LIC was collapsed the very day when it was listed on the stock exchange. Thus in the first day, investors were shocked. Shares of LIC traded higher and in the following days it dropped down. In this situation, the market value of LIC has fallen below Rs. 5 lakh crore in the stock market. LIC shares fell by Rs. 14 within a day, in the stock market and are selling at Rs. 786.20.

LIC allotted Rs.949 per share but the share price has fallen to Rs.163. Policy holders have lost up to Rs 103 per share, who bought it for Rs. 889.

LIC which has been listed at market value of 6 lakhs crore a market has been falling down hugely to Rs 4,97,113 crore. LIC market value of the company is fallen below Rs 5 lakh crores Stock buyers' situation worsens heavily
