To dear young hearts! Happy New Year greetings to every one of you!

Praise be to God who opens new paths for us in this New Year. Many times you may be tired of not being successful as the desires of your heart are not fulfilled. In this New Year, God will give you many new plans, open new paths and make you successful.

When the Red Sea was a great obstacle, God made a way for the people of Israel and made them walk. In the same way, he will make a path for you that you do not know and will lead you.

You might have been enslaved by sins and might have come across weary situations so far. But this year the Lord will fight for you and destroy all the arrows and weapons of the enemy that had disheartened you.

"For the Egyptians whom you see today, you shall see again no more forever." So don't be discouraged. Because the Lord himself will go before you. He Himself will come and protect you from behind.

Use the authority that God has given you, "Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you" (James 10:19).

The character of the serpent is to act deceitfully and do cunning things. Satan was the one who deceived Eve and deprived them of their blessing (Gen 3:1-18). But his trick will no longer work in your life. You will trample and destroy all the deceit of the enemy. The Lord has put under your feet every

evil thought that the devil puts against your holiness and calling.

And another characteristic of the serpent is to accuse you and make you guilty in front of everyone. A viper bit Paul's hand on the island of Malta. This immediately led the people of that island to think that Paul was a murderer. But Paul shook off the creature into the fire. When it fastened Paul's hand, it was a viper. But when Paul shook it away, he shook it away like a bug (Acts 28:11-1). In the same way, you should defeat all his tricks to the extent that the enemy must regret for touching you. In this New Year, commit yourself to work in God's hand as a new sharpened weapon with new power and new vision.

You are the 7 types of young generation that arose in the land as God prophesied. (The praying generation, the warrior generation, the prophesying generation, the evangelizing generation, the mighty generation, the comforting generation, and the generation that does strange things)

Dear army!! You who actively does God's revival work in these last days... no enemy can stop what the Lord wants to do with you.

*Let's hold fast to the Lord's promise that he gives us this year. "The LORD has taken away your judgments, He has cast out your enemy. The King of Israel, the LORD, is in your midst; you shall see disaster no more" (Zephaniah 3:15).*

This is the year of harvesting souls!!!

# THE LORD IS MY HOPE...

WORSHIP LEADER PASTOR

*Benz*

Testimony: Benita

Pastor Benz was born in a Hindu family. He accepted Christ as his saviour and became a worship leader and preacher. Today he is a pastor leading thousands into salvation. Let's talk to him and get to know the changes that happened in his life.

## ***Tell us about your childhood and family***

I was born in Arumanai, Kanyakumari district, in a traditional Hindu family. I have two brothers and two sisters. My father was into farming. Since my father had the habit of consuming alcohol, he would always come home drunk. I have never seen him reach home without drinking. Because of my father's alcoholism, my family suffered a lot in poverty. I used to wonder why I had to go through such a path and be burdened by it as a child. Though we took a lot of efforts to stop my father from drinking, nothing worked. During such a situation, one of my sisters started going to Sunday school through a grandmother in our neighboring house. One day she took me as well to Sunday school. Thus I started going to the church.

## ***Okay... You went there because of a granny... How did you place your faith in Jesus?***

When I was in 7th standard, I prayed in church that I would accept Jesus

as the true God if my father quits drinking. That day my father didn't come home. Due to a problem at the liquor shop, my father was arrested by the police and was kept in the custody was released after 8 days. When he came home, he called us and said, "From today, I will never drink again!" Once I heard this, I got reminded of the small prayer I did in church. From then till now, my father has never relapsed into drinking.

This gave me an unshakable faith in Jesus.

## ***Great! Your prayer was answered... Did you continue to go to Church? Did you accept Jesus?***

Yes, I started going to church regularly. Our church pastor and my Sunday school teacher encouraged me to sing and taught me a lot of spiritual things. I learnt everything with enthusiasm. I started going

to church regularly. I began to experience the love of Jesus gradually and accepted Him as my saviour.

**Well you went to church with aspiration.... Tell us about your schooling.**

I scored 155 marks in 10th standard and failed in 3 subjects. My pastor enrolled me in a tutorial to ensure that I cleared the failed papers. A teacher taught me mathematics for three days. Even though she tried hard, I understood nothing. So, they called my pastor and told him that it is impossible to make me pass. Then my pastor joined me in a printing press and I worked there for nine months.

**Well... worked at a printing press... Were you able to continue your education?**

When I was working in the press, my pastor sent me a filled application form for studying theology at the Church of God Bible College. I was overjoyed. But my family had got a lot of debts then hoping I would pay it back. So they had high hopes for me. Since then I started facing many problems including meeting my basic necessities like food.

Enduring everything out of love for the Lord, I went to the Bible College. A pastor gave me an old shirt and two pairs of pants. I told myself that I am not going to starve anymore and happily joined the college. Since I grew up in the village, the idea of studying in a city got me excited, but, however, I finished my education amidst several problems.

**You finished your theological studies amidst hardships... Can you tell us about the hardships you went through?**

My pastor would give me 100 rupees every month. I buy

my essentials (soap, oil...etc.) using that. One month a friend got that money from me as his grandmother passed away. I ran out of all the essentials. I didn't have money to buy them. So I would wait till other students are done bathing and use their leftover soap. I followed the same method to wash clothes too. I have never questioned God why he allowed me to go through that phase.

I started using one pant and a shirt for a week. I managed for a week by borrowing paste from everyone. One day when I asked the brother in the next room for paste he abused me verbally very badly. I couldn't bear it, I came to my room and prayed, "Jesus, I am not sure whether I have a calling for ministry or I am fit for it. But if you have accepted me as your true servant, from today till death I should never plead to people for anything I need." As soon as I finished my prayer I got a call from the reception and they gave me 50 rupees. When I asked them why, they said, "This is the offering you got for sharing your testimony in Pastor Jebaraj's church in Ganapathy, a believer gave this." I returned to my room happily, on the way, my senior Bro. Ebenezer met me and gave me a carton box full of his essentials as he had quit his studies and was leaving to his hometown to get married. I used the paste I got from him for three years. I took these as a sign that the Lord had predestined me and continued to grow in faith. I finished my 3-year course amidst multiple struggles and graduated.

**Super... you studied and got your degree. Did you begin your journey as a pastor right after Theology College? When did you become a pastor?**

No, I worked as a warden in the bible college I studied in. After a year, I joined as an assistant pastor in the Church of God in Madhavaram, Chennai. My life began to transform after I went there. I had ministry only on Sunday, rest of the days I only had to lead the occasional prayers. I spent almost three months sleeping in my free time. So I prayed for a transfer to another church. After three months I was transferred to a church in Trichy. I was left there alone and got

psychologically affected. Along with that I was severely affected by jaundice and returned back home. Even though I got treated in several places, I wasn't cured. During that time I got a call from Church of God to attend an exam. I planned to appear for it at all costs and went to Coimbatore. My health was not good. I didn't know where to go and what to do. I prayed to Jesus what should I do. Then, when I was studying at Bible College, I would lovingly take care and speak to a mother in Coimbatore who was involved in an accident. So the mother who knew me came there unexpectedly. Seeing my condition, they took me home. I was there bedridden for seven days.

On the seventh day I braced myself and left to Trichy. I was able to board the bus only with the help of others. I got off the bus and could not take a step, just looked up at the sky and asked "Lord have you forsaken me." Somehow I managed to reach the church in Trichy. But seeing my state the elders and believers in my church asked me to take rest in my home and return only when I am alright. I didn't want to go home, so I went back to the mother's house in Coimbatore. Since I took a lot of time to recuperate, the organization replaced another person in my place. They asked me to be an assistant pastor in some other church. The mother I stayed with took me to church every week and also treated me in the hospital. I had to eat 22 tablets each day, but I was hardly able to sleep. Likewise, I was bed-ridden for 9 months and finally gave a test. After 3 days, when we went to get the result, we were scared. To my astonishment everything was normal!! They told me not to take any more pills. This gave me a new strength and motivation.

### ***Having suffered so much, did you begin your ministry again?***

Yes, the mother who took care of me asked if we can start a church in a house in Rathnapuri. When I asked

the organization, they approved it. I started the services at once. After I began ministering the sickness inside me vanished. We worshipped for 3 months in that house. Five or six people attended that. Every day when I go to the terrace of the house to pray, I see a small empty space next to it and say "Jesus, build a church in this place" and pray straight to that place. One day a rich brother attended our service and the message of that day touched him. He promised to give Rs 25000 and gave Rs 10000 the next day. We began the construction work immediately and the church was built till the walls. After that we didn't have the funds, so the construction was stopped there. I was deeply worried thinking about the half-constructed church, one day I spotted people drying their clothes in that space and was deeply hurt.

I played,"Kalangadhe magane, kalangadhe magale..." song in the CD player around 9:30 am in the morning and began praying along. Around 4 I heard someone knocking. An engineer was standing outside the door along with a believer

who attended the church. He said, "Pastor I will complete all the remaining works," and finished the construction in ten days. Services were going on uninterrupted and peacefully for several months.

### ***Super... Did everything go on smoothly after that?***

No, after a time, many started complaining about the sound and asked us to vacate the place. They even started playing songs loudly using big speakers during the service. Since we didn't have microphone in the church, believers were not able to hear what I spoke.

The service usually goes on for 2 and a half hours. All the while they will be playing songs in the speaker. But I didn't lose faith, in our prayers we used to confess, "This sound will cease, but our voice will never cease!" They stopped playing songs after three weeks.

### **Well Pastor, that problem was over. How did the church go after that?**

That problem was solved. But a new problem began. The family that gave us the house got a sudden debt of 25 lakhs and had to immediately sell it. A buyer got the house for 23 lakhs and we had to vacate the house. Since we weren't able to find a new place, we worshipped in a cowshed for one and a half years. Almost 150 believers began attending our church. We had problems there too and they asked us to vacate in three months. I didn't know what to do. Week after week there was trouble, and we reached a point where a case was filed against us. So we had to vacate that land too.

### **It is very saddening to hear this. Where did you re-establish the church?**

We didn't get any place to worship for three months. While I was on my knees declaring the promises of God in prayer, a person came in and offered us a place. I was overjoyed to see such a big land and it is the place where we are conducting services now. We faced many problems here too. But the Lord has been steering it for the past 15 years. Apart from that, God gave us the grace to start 6 branch churches. Now our church has more than 1000 believers. But our vision is to have 5000 believers in a single service. We are constantly praying for it.

### **Tell us about your marriage?**

I started praying for a suitable partner. God heard my prayer and gave me a girl who is a zealous servant for

the Lord from the family of a good servant of God and who prays well and we got married in the year 2008. My wife sings and worships well. She helps me in every way in ministry. God has also given us 2 sons and is using them for his glory.

### **What do you want to share with the youngsters?**

I was a person who none wanted. I failed in 10th standard and everyone rejected me. If God can transform that person into someone who can be a useful vessel for thousands, no matter what situation you are in, he can lift you. But for that, you have to go through struggles and surrender yourself to God and pray. The Bible says that **"In Your hand it is to make great and to give strength to all."**

The Lord has chosen you and me as fools to put the wise to shame. So stay undisturbed by the problems and face your battles with prayer. Only then can God do great things with you.

**Dear youngsters! Despite the numerous battles, problems and illnesses, pastor Benz chose to run towards the vision out of love for God and is winning thousands of souls today. In addition to that, God is also using him to provide counseling and advice for government officials, pastors, teachers and also in hospitals. Like this young servant of God Pr. Benz, will you rise up as zealous youths in these days of revival? ■**

# Mount Sinai

*One day fasting prayer for the youth!*

Every year on the day of Diwali, by the grace of God a one-day fasting prayer (Mt. Sinai) is conducted for the youth. In 2022, 3418 youth participated and prayed for the nation in 6 places namely Tamil Nadu, Pondicherry etc. Through these meetings, many have learned to pray like Jesus and have started prayer groups in their areas, colleges and schools. God gave grace to pray for about 6836 hours that day alone.

*Note: "For a group of youths to rise up as a prayer army and cover the nation with prayer", we are working with prayer to conduct Mount Sinai prayer in 40 places, in 38 districts of Tamil Nadu and also in Andhra and Pondicherry in the year 2023 if God wills.*

# 2022

**NO DISASTER**

# 2023

**SHALL COME NEAR!**

The Lord God looks at you today and promises **you saying, “My son, my daughter, do not be troubled, you shall see disaster no more (Zephaniah 3:15).”** Our nation in the past years had met with many disasters such as pestilences, inflation, natural calamities and many types of disasters that occurred in the society. We all were affected by those disasters. Perhaps, because of that, you may have experienced some harm in your work, studies and in your ministry. However, the Lord graciously carries you through it all. But you can even think how long this harm lasts! The Lord God is giving you a promise, **“Do not be troubled, you shall see disaster no more.”**

Why such disasters happen? The wicked Satan is the main reason behind all these disasters. He alone is our enemy! Opponent! The Word of God says that, **“the thief does not come except to steal, and to kill, and to destroy” (John 10:10).** This wicked Satan is the one who causes many harms in our lives such as loss, sickness, destruction, grief, disgrace and shame. But the Lord looks at us and tells us that, **“the wicked one shall no more pass through you” (Nahum 1:15).** Not only that, since the works of the Satan is utterly cut off, you will no longer see harm and enemy will no longer pass through you! The Lord promises that the sorcery, witchcraft, and the works of Satan that were done against you are being annihilated (Nahum 1:14, 15). The Lord

giving you such kind of promise makes you happy right? Well, has this happened in anyone’s life? How do we believe this?

There lived a man in the land of Uz, whose name was Job. He was a renowned rich man. He faced many disasters in his life such as grief, loss, deaths, shame and reproaches. However, none of those disasters didn’t stand, for God had brought an end to all disasters that Job suffered. All his own kindred had come to comfort him because of his misfortunes (Job 42:11). Job didn’t see any disaster again in his life after the Lord restored his losses, and blessed and multiplied him after the Lord changed his captivity.

The Lord did not allow Satan, the enemy, to harm Job again. After that Job lived one hundred and forty years, and saw his children and grandchildren for four generations and died at a ripe old age (Job 42:16, 17). The God of Job is also our God. He is the One who looks at you today and says, **“I am bringing an end to your disaster so that you shall see disaster no more.”**

My beloved young people! In this year 2023, perhaps disasters may strike you, and it may seem to occur like shattering your life. But, it shall not destroy you. The Lord, as He has promised, will give you grace to escape and be protected from harm so that you will not see it. We shall meditate for a while on, what kind of disasters this wicked Satan causes in our lives?

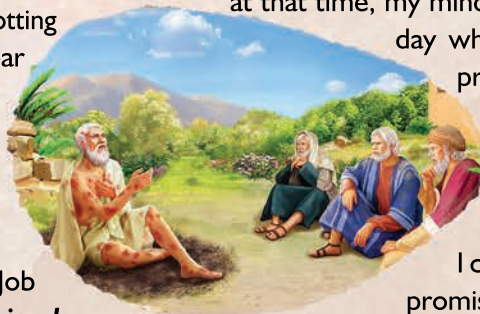

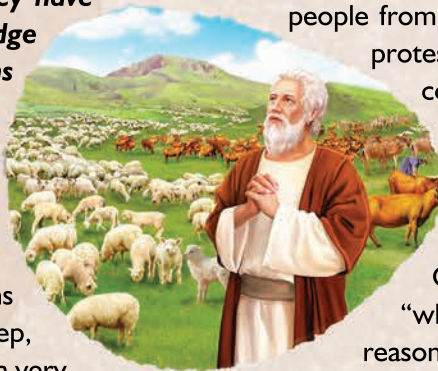

## SATAN CAUSING HARM THROUGH PEOPLE!

**Sabeans raided them (Oxen and Donkey) and took them away – indeed they have killed the servants with the edge of the sword; The Chaldeans formed three bands, raided the camels and took them away, yes, and killed the servants with the edge of the sword; (Job 1: 15,17).**

Job was a very wealthy man who had possessions of thousands of cattle like sheep, camels, oxen and donkeys, and a very large household (Job 1:3). Satan raised a crowd of Sabeans and Chaldeans against Job, and without any cause, slaughtered all his servants and plundered all the animals. Thus, the devil will raise up wicked men against you and endeavour to harm you through them. He will try to harm you through men who are your neighbours at living place and at work place by instigating them. But fear nothing! Because, whatever shall be the harm they try plotting against you, that shall never come near you. They cannot harm you. The reason is that the Lord is mighty enough to change that disaster for us to not to see it. Job's life was devastated by the evil caused by men.

Shame occurred! Reproach befell! Job lamented and wept saying, **“My friends scorn me; my eyes pour out tears to God” (Job 16:20).** See, even the friends of Job scorned him and accused him saying, “If you have feared the Lord and have walked truly, and if he is with you, why should all these happen to you?” They scorned him and wounded his heart. Job was hated and abandoned by his brothers, relatives, and acquaintances for the disaster that occurred to him (Job 19:13, 19). Job was left alone!

In the year 1980 which was the beginning years of my ministry, according to the command of the Lord, we started building the House of God (as the first

construction) in the land that we owned legally outside the village where there would be no disturbances for anyone, and in where almost 5000 people can gather together and pray. Suddenly, people from the neighbouring village started protesting against this. They gave complaint letters to the collector office and to the police station, and created a huge problem, and tried to stop the construction of the building.

One day, when I inquired about “why do these people hate us for no reason, rise up against us and do harm?”

It was revealed that a wealthy man from that area, with a wicked heart, instigated the people of that village against me to cause harm anyhow to this ministry, and to stop the construction of the building. He challenged this and worked for it intensely. There was obstruction for almost a year! Difficulty! Affliction! Reason is, the envy that was in the heart of that man! Zeal for religion! Because of this thing, at that time, my mind was a little heavy. One

day when I was praying in the presence of God, He gave me a promise, “Son, do not be afraid of anything! I shall cause all this disaster to disappear.” As

I continued to pray with the promise that He has given, one day He said, “Son, that disaster is over; you shall see disaster no more. Commence the work.” Accordingly we resumed the work with great courage. But, do you know what happened to that wicked man? The man lost all his property, lost the business he was doing, was humiliated, reviled and finally disappeared from this world.

My beloved ones! Is someone bothering you at your living place, or at your work place, or at the place where you trade, or at the place where you are doing ministry? Do not be troubled! They will vanish.

## SATAN CAUSING DISASTERS THROUGH NATURE!

The wicked Satan sometimes uses nature against us to create disaster. Even though nature like sun, moon, sea, wind, rain and stars are under the control of the Lord; however, the evil Satan sometimes rise against us by getting the authority from God to use nature against us. Reason, he cannot operate nature on his own. Only when the Lord gives permission, he can operate the nature.

The Bible mentions that, ***“The fire of God fell from heaven and burned up the sheep and the servants (of Job), and consumed them; and suddenly a great wind came from across the wilderness and struck the four corners of the house, and it fell on the young people (of Job), and they are dead” (Job 1: 16,19).*** The Lord may at times execute His judgment upon the earth. Disasters such as tsunamis, storms, earthquakes, floods and famines may be permitted. However, Satan plots to use the same against us.

In these terrible end times, a variety of disasters such as great floods, fires, huge cyclones, famine, pestilences and wars shall occur. However, the Lord gives you a promise, “My son, my daughter, even though there are disasters around you, you shall no more see that disaster.”

The heat is very terrible during summers in the city of Los Angeles, in the state of California, in the United States. During that times, fire engulfs forests and spread automatically to the nearby cities and cause horrible damages. If one house gets ignited by the fire, rest all houses rapidly gets ignited as well. Because, according to the prevailing climatic conditions over there, only the foundation of the house is concrete; the rest is all built with wood. There were many such houses in a mountain area there. There was a believer family from Tamil Nadu

who built their house likewise and was dwelling over there; ministering the Lord. Once, when the forest fires engulfed that region and was spreading, the policemen came and instructed them to evacuate immediately from their house to a different region. But, that family of believers, didn't evacuate from their house immediately, rather they looked at the face of the Lord and prayed, “God, protect this house which belongs to us who are your children. Let not this disaster touch the house.” They afterwards evacuated the house like others. The fire kept spreading and burnt all the houses into ashes in that region. Nevertheless, only the house of the faithful family remained undamaged in the fire. When the fire brigade came, they were astonished to see the only house that was spared. See, the Lord protected by not letting that disaster come near that house. The believer family thanked the Lord for it.

My beloved! How wonderful the Lord is! Whatever disaster occurs around you, it shall not harm you. ***Reason, the Lord says, “you shall see disaster no more.”*** Even though there are pestilences around you, your family shall be protected! Even though, there are damages around you due to earthquake, you shall be saved! Though many kinds of dangers and evils multiplies around you, you shall see no disaster! This is the promise that the Lord gives you today. Therefore, hold firmly to this promise which the Lord has given.

## SATAN CAUSING HARM DIRECTLY!

So Satan went out from the presence of the Lord, and struck Job with painful boils from the sole of his foot to the crown of his head. And he took for himself a potsherd with which to scrape himself while he sat in the midst of the ashes (Job 2: 7, 8). The wicked Satan also comes directly and cause

harm to us. Satan came directly and plagued Job with deadly boils from the sole of his feet to the crown of his head. Job sat down in the ashes not even able to dress, and having just a cloth tied around his waist. Likewise, Satan will directly come to you and will strive to bring sickness to hamstring you. A brother was affected with paralysis. All his fingers and toes were folded. . He had been suffering for about 18 years with excruciating pain in all the bones and joints throughout his body. There was no use even after consulting many doctors and taking many treatments.

He was sent home being told, "This cannot be cured. Moreover, if you do not want to aggravate this disease, we will give medicine for it which has to be taken till the day of death." He was very heartbroken. One day, he was watching our television programme with his family. During the prayer time, a great faith arose in him when he heard this, "If you pray with faith, no matter how many long years the disease can be, the Lord can change it." Immediately when all his family members laid their hands on his head and prayed in the name of Jesus Christ, an evil unclean spirit that was inside the

brother's body left him. That very second, his 18 years long paralysis was healed perfectly. He received his miraculous healing when that spirit left him. Thus Satan tries to immobilize us by bringing diseases to us. Perhaps, today you too might have been affected and suffering with asthma or peptic ulcer or cancer or skin disease or any other incurable diseases. Or, Satan might have struck you directly with a disease like how the spirit of infirmity did with a woman who lived during the times of Jesus, who was bent over and was bound for 18 years and could in no way raise herself up. Or, Satan might work against you in order to keep you in fear by ruining your sleep and disrupting your peace with depression and trouble. But, the Lord is looking at you and giving you a promise, "Do not be troubled, you shall see disaster no more."

***My beloved! Today if you believe that "The Lord suffered harm on the cross for me! He destroyed the power of the devil. He has finished carrying all my sins and curses. I shall see disaster no more! Jesus Christ will set me free!!" You will be delivered. From this day, you shall see disaster no more; you shall see goodness this year ■***

# Prayer Ministry

Jesus Redeems Ministry is a ministry built on prayer. Accordingly, Jesus Redeems Youth Ministry has been operating with the vision of raising up 'Praying youths' every year. In the years 2021&2022, camps for Revival Igniters were conducted.

Young people who participated in these camps are praying for at least one hour daily individually, in groups through conference calls, zoom, Google meet and also in prayer cells. Apart from Tamil Nadu, Igniters in Andhra Pradesh, Telangana, Mumbai, Pondicherry and Karnataka are also praying. Through this, **3,10,351 hours** have been prayed for revival and salvation of souls this year.

Note: When you also join such prayer groups and pray we can see revival in our nation soon.

# School College Meetings

In the years 2020-2021, a situation arose where it was not possible to go to schools and colleges to preach the gospel due to Corona. But in 2022, God gave grace to go to schools and colleges in many districts of Tamil Nadu and preach the Gospel to more than 35,000 students. Many students come and pray about their problems in studying. A few schools have started prayer cells and are praying for the blessing of the school. As a result of this, many students have made resolutions that they will concentrate on their studies and not waste time on social media. Glory to God!

Note: If you want us to take Motivational classes or hold meetings like this in your schools and colleges Contact 9750955547.

## IGNITERS CAMP

As the Lord has promised to raise up 7 types of young generations to be used in the coming great Revival, in the years 2021&2022 more than 9 thousand youths were invited from the states of Tamil Nadu, Karnataka, Kerala, North India, East India and Andhra Pradesh and Revival Igniters Camp was conducted for them.

The youths who participated in these training camps were delivered by the spirit of God and were filled with His power. When our brother Mohan C. Lazarus explained and prayed about the need to pray for revival and the importance of evangelism, the Lord filled all the youths who attended with His spirit of prayer and the burden for souls.

Many were filled with the warfare anointing when Prophet Vincent Selvakumar shared about the prophetic and warrior generations and led in prayer. 7,50,000 souls have been reached and 3,18,351 hours have been prayed this year alone as a result of the young people attending these meetings and going out into their areas to evangelize.

# NORTH INDIA AND EAST INDIAN STATES

About 1,959 youths participated in the 2021 Revival Igniters Camp for North and East India and received a new vision and burden in their hearts about their city. With the grace of God follow up meetings were conducted for these youngsters in this year.

In the month of June by the grace of God we're able to gather 310 young people in the state of Jharkhand. God helped us to cheer up these young people and to guide them in prayers with burden for their state and further they were motivated to spread the gospel eventually.

In the month of October more than 390 young people were gathered from the states of Punjab and Haryana. They were motivated to stay strong in their relationship with God. God gave them a new burden to prepare their towns for the coming revival.

607 young people and 125 pastors from the states of Uttarkhand, Uttar Pradesh, Delhi, Bihar, and West Bengal were gathered in the month of November and God gave the grace to encourage them to inherit their cities, to fight and pray, and to work tirelessly in the work of evangelism.

As a result of this follow-up work 305 prayer groups have been started and have started praying for the revival of their town. So far they have prayed for 23,782 hours. Moreover gospel was spread to 2,526 young people too. Glory to God!

# Harvest of the year 2022
